Hello Rita,

Please include me. I would be happy to help. My supervisor, Dan Cozza, said it would be fine, too.

Let me know what the next steps are.

Subject: Volunteer Again?

As callers related to the lead sample results in Flint, I am reaching out to you to see if you would be willing and available to make calls next week, and possibly the week later to a few homeowners with East Chicago lead sample results. There are a total of 45 homes. We don't have a final script yet, but can have a meeting to go over this as we did with the Flint calls. Please get your supervisor's permission if you are willing to volunteer? Thanks!
